HOTEL SALERA is the right place for You.

In the residential area, less than 2 km from the historical town centre, **Hotel Salera** is a point of reference for tourism and working trips, the perfect mix between tradition and modernity.

In the bedrooms the simplicity of furniture joins comfort while to the Restaurant, genuine ingredients give birth to typical local dishes both of Piedmont than Italian, always refined and creative, with careful selection of the best raw materials and some creative variations, including seafood.

And don't forget the wine list with the best Piedmontese labels!

The environment is in tone, furnished in modern style, with tables richly laid with mats, wine glasses, flowers and silver cutlery.

Restaurant Salera will be open to both Hotel guests and outside.

Hotel Salera with his professional staff is a perfect location for events and meetings both private than business.
